

University of Tuzla :

Past, present and future

Possibilities for cooperation with Goethe-Universität

Vedad Pašić
Faculty of Natural Sciences and Mathematics
University of Tuzla

Frankfurt am Main, 11th December 2017

University of Tuzla

- Second oldest institution of higher education in B&H
- Over 12,000 students
- 13 faculties
- Strategic position in the Western Balkans region
- Long tradition of tolerance and cooperation
- Gender politics
- Perspectives for development
- Good transport infrastructure

Faculty of Natural Sciences and Mathematics

Faculty of Natural Sciences and Mathematics

- Young faculty
- Five departments (biology, chemistry, geography, mathematics, physics)
- Number of young scientists across multiple fields
- More than half faculty female - also in management
- Integrated university
- Great interdisciplinary potential
- Private - public partnerships
- Greatest asset - our students and alumni

Great connections with alumni

Our students at top institutions
